## 1943-

JUNE was born 13<sup>th</sup> June 1943 the eldest daughter of JOHN RENOUF and WINIFRED RENOUF (nee SUTTON) at Nurse Heards Nursing Home 28 Victoria Road South Portsmouth. For the first three years of her life she lived with her mother and maternal grandparents (WILFRED and LILLY SUTTON) at 18 Lynton Grove Copnor. Her father was a Flight Engineer in the RAF, and was away on war duties for most of the time up to 1947. Shortly after JUNE'S sister SANDRA was born, WINIFRED was diagnosed with tuberculosis, and sent to the TB Sanatorium at Ventnor on the I.O.W. There she stayed for six months to recover, and JUNE and SANDRA were looked after by their paternal grandparents (JOHN and ADA RENOUF) at 69 St Andrews Road Southsea. When WINIFRED recovered they moved to 5 Pains Road and lived there with JUNE'S auntie, GLADYS and cousins, SHEILA and CAROL.

JUNE then moved with her mother, father and sister to 21 Portsdown Crescent, a "prefab" on the side of Portsdown Hill, circa 1948. JUNE lived there from the age of four until she was twenty one, when the prefabs (which were temporary structures) were demolished. From here the family moved to 48 Old Farm Way Farlington, where she lived for one year until her marriage on 3<sup>rd</sup> April 1965.

JUNE was educated at Portsdown Infant, Junior and Secondary Modern Schools for Girls. She started her working life at the Metal Box Co Burfields Road as an Office Junior, typing for the Accounts Department. It was during this time that she met and eventually married ROBIN WILLIAM MEADEN. JUNE continued to work as a typist at the Metal Box Co until she gave birth to her daughter JOANNE on 15<sup>th</sup> November 1969. It was to be another seven years before RICHARD was born on 7<sup>th</sup> August 1976. Some part-time cleaning and factory work was undertaken before she went to Adult Education Classes and obtained her Full Typing Certificates, which

allowed her to take up a full time post working for The Portsmouth Educational Psychology Service in November 1987.

JUNE'S talents encompassed, Craft, Crochet, knitting and Dress making, all of which she could perform with admirable skill. Her hobbies included Swimming, Keep Fit and Tap Dancing, for which she appeared on stage in several Charity Events.

JUNE lived for the first thirty five years of her marriage at 24 Ninian Park Road Copnor, and then from 1<sup>st</sup> APRIL 2000 at 14 Heritage Gardens Portchester.
