

WILLIAM MEADEN

1886-1889

WILLIAM MEADEN was the youngest child of HENRY and ALICE,
born in the June Quarter of 1886.

On the 8th of December 1889, when WILLIAM was only 3 years of
age, he caught Pneumonia, and 14 days later,
(Just 3 days before Christmas) on 22nd December 1889 he died.
